FRED E. PADE'S NURSERY

'Phone 2071

432 Leonard Street

PARK RIDGE, ILL.

OFFICE OF THE STATE ENTOMOLOGIST

No. 142

Urbana, Ill., November 8, 1915

THIS IS TO CERTIFY that the growing nursery stock and premises of Fred E. Pade, situated at Park Ridge, Illinois, have been inspected by C. B. Dull, a duly appointed inspector of this office, according to the provisions of an act to prevent the introduction and spread in Illinois of the San Jose scale and other dangerous insects and contagious diseases of fruits, in force, as amended July 1, 1909, and that said nursery and premises are apparently free from the San Jose scale and other dangerous insects and dangerous plant diseases.

This certificate applies only to the condition of this nursery for the year ending August 11, 1916.

P. A. GLENN,

Chief Inspector

STEPHEN A. FORBES,

State Entomologist

Buyers of stock from my nursery are protected by the above certificate. Personal inspection is invited at all times. Suggestions and estimates are freely offered, and in cases where landscape designing is wanted, a reasonable charge will be made for same.

I guarantee to replace immediately anything planted by me which should not start out growing. After such start further responsibility must rest with the owner or caretaker.

Pruning, transplanting and spraying is done by arrangement.

Terms are cash, and prices made to compete with those of average local nursery concerns, are regulated by the sizes and amounts wanted.

Evergreens

in particularly good assortments suitable for hedges or ornamental groups. Evergreen planting deserves attention and is invariably a local success.

Norway Spruce, Colorado Blue Spruce, Arbor Vitae, Junipers and Scotch Pine in small and large sizes. Prices from 40c upwards.

Ornamental Shrubs

All leading kinds in small up to extra large sizes, and blooming early, medium or late, at various prices from 25c up. For instance, Althea or Rose of Sharon in red, white or blue; Berberis, Dogwood, Buckthorn, Forsythia or Golden Bell, Japanese Quince, Elder, cut-leaf and golden, Mock Orange or Syringa, Hydrangea, white or colored, Coral Berry, Snowberry, Snowball, Lilac, double or single, Tamarix, Weigelia in variety, Spirea in variety, including Bridal Wreath; Privet and others for hedge planting.

Vines

Boston Ivy, Bittersweet, Honeysuckle, Virginia Creeper, Trumpet Vine, Clematis and Wisteria.

Roses and Peonies

Ramblers, Rugosa, Perpetual and Tree Roses; hardy varieties.

Shade and Ornamental Trees

Ash, Birch, Elm, Hackberry, Maples, Mountain Ash, Linden, Horse Chestnut, Honey Locust, Sycamore, Poplars for windbreaks, in sizes from 5' to 15'; beautifully straight. Values from 35c upwards.

Fruit Trees and Small Fruit

Apple, best summer, fall and winter varieties, 4' to 7' from 50c upwards; Crabapple, Pear, Peach, Plum and Cherry in leading varieties and bearing sizes, or near to it.

Red Currant, Raspberry, Blackberry, Gooseberry, Grapevine and Rhubarb of best approved sorts.
